## **MORE PEOPLE BUY THE SHASTA THAN ANY OTHER MAKE!**

SHASTA stands alone as the one travel trailer more Americans choose for themselves. We believe these people of good taste and sound judgment compared, and found SHASTA to be far ahead of the field in beauty, construction, more desirable features, and economy. Discriminating travellers and sportsmen have found that SHASTA has given them unduplicated performance. It is so soundly designed and built that it has become a synonym for integrity of product. And SHASTA has given them value! With each passing year it becomes increasingly apparent that SHASTA represents one of the wisest purchases in trailerdom.

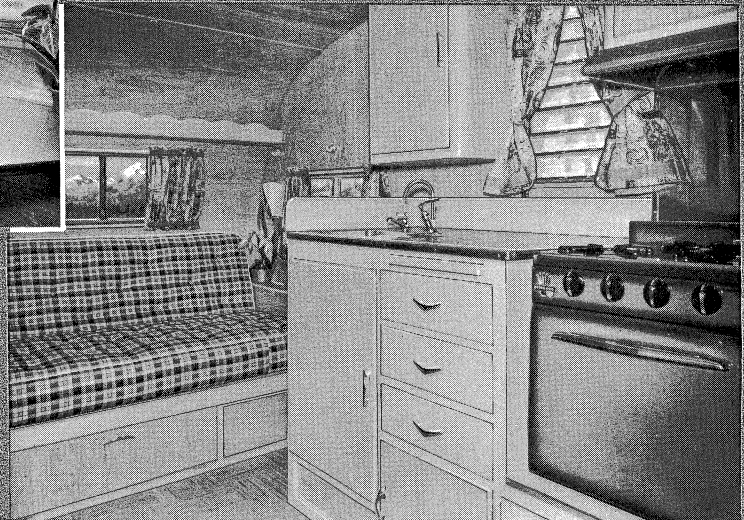

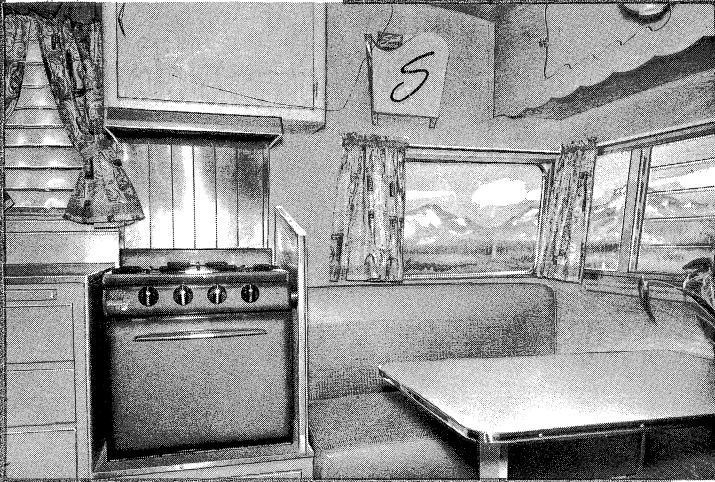

This newest of all trailers now brings you New Slimline jalousie windows. Beautiful, provide lots of ventilation. All cabinet doors are New Hollocore, have plywood on both sides of frame. New aluminum screen door. New dinette table, six inches wider. New King Size Luxury Lounge, 80" long. New Slimline cabinet design thruout. New coordinated color blending in beautiful furnishings, lovely draperies, counter, table and floor tile. New oversize drawer under dinette protects bedding. New ironing board. New hardware, new positive catches. New White Sidewall Tires. Very sharp, they set off America's most beautiful and most desired travel trailer!

The All New Shasta Airflyte represents the finest trailer, the greatest value, by far, in the industry. This new kind of trailer has 50 advance features so daringly different yet so basically sound as to place it far out ahead of the field. New contour, new Airflyte design, new luxury features. Yet, since we build more travel trailers than any other firm in the world, the price is unbelievably low. Body 13'-5", overall 15"-10", width 7', just right for navigating mountain roads and slipping thru traffic without stress or strain. Featherweight—only 1840 pounds. Luxury Lounge by day converts into comfortable bed in 1 second. New, largest ice refrigerator—100 lbs. New optional butane refrigerator. 16 gallon water tank and pump.

LET SHASTA BE YOUR  
MOUNTAIN, BEACH &  
DESERT FUN PLACE!

Why do more people buy SHASTA travel trailers than any other make? More pride of ownership, more features, more value by far. You will enjoy years of fun and healthy relaxation with your SHASTA. It will be your best investment in happiness!

With 21 years experience behind us, your SHASTA is engineered and manufactured to precision standards in our modern plants representing an investment in excess of a million dollars. We are the largest producer of travel trailers in the world for only one reason—customer satisfaction! See your friendly SHASTA dealer today, and become the proud owner of America's Choice—the SHASTA!

The All New SHASTA Airflyte is completely Coded, with approved plumbing and electrical installation. Three wire Romex, with junction boxes, heavy duty circuit breaker. Sink trap with side outlet vent. Larger, DeLuxe 6:70x15 Goodrich white sidewall tubeless tires. More drawers, shelves and cabinets by far. Bargeman door lock, 6-way connector. Bumper. Large range and vented hood. Plate glass mirror and many other luxury features.

Your SHASTA has the finest workmanship in the industry—we do not work on a piece-work basis. Most beautiful exterior—.032 aluminum (not .020) prevents buckles. Finest finish—SHASTAS are painted in modern paint spray booths, like your car. One piece rolled edge roof, extending entire perimeter of sidewalls, your positive assurance against leaks. Largest twin luggage doors, hinged from the front, 14' awning rail. Double floor, sidewalls and ceiling, all well insulated with a blanket of spun glass and asphalt impregnated Celotex. Double skirted metal wheel housings.

We build our own chassis, electrically welded, heavy channels, 5 cross members. All cabinets are glued and dowelled. 3 110 volt lamps, plus 6 volt lamp, and New Ornamental butane lamp. More window and screen area. "Yard-Stick High" counter. Help yourself and family to health and happiness with the SHASTA Airflyte!
